## Obstetrics

Pregnancy and childbirth can be at once the most exciting and trepidatious time of our lives. Dr David Moore understands the need for dedicated, personalised attention and, importantly, a sense of continuity and availability. David strives to build successful pregnancies through communication, understanding, and honesty; providing expert opinion, respecting patients' personal beliefs, and when necessary to achieve the optimal outcome. Throughout your pregnancy and the birth of your baby, David aims to be a well-informed, helping you to achieve the birth experience you desire.

David's rooms at Eve Healthcare are situated in [South Bank](#), the heart of Brisbane's cultural precinct.

## Dr David Moore's pregnancy services include:

- Pre-pregnancy and early pregnancy assessment/counselling
- Screening tests in pregnancy
- Management of early pregnancy complications such as miscarriage and ectopic pregnancy
- Routine antenatal visits
- Management of low-risk pregnancy
- Management of high-risk pregnancy
- Management of multiple pregnancy (twins), including planned vaginal birth
- External Cephalic Version (ECV)
- Vaginal Birth After Caesarean (VBAC)
- Operative vaginal birth
- Caesarean birth
